COMMENTS FROM THE TOWN MANAGER'S OFFICE

Cost estimates and sketches for the construction of a concrete bridge for Chapman Brook have been received from the Bridge Division of the State Highway Commission. The total cost of removal of the old bridge and construction of the new bridge is estimated at \$1,150.00. The sketches show proposed details of the concrete bridge but they are not construction plans. If the concrete bridge was the type to be constructed, the Bridge Division would furnish the necessary construction plans. There are several types of bridge and almost any type could be adapted to the Chapman Brook situation. Some of the types of bridge that could be used are steel girders with wood planking, steel girders with corrugated steel decking, and pre-cast concrete slabs. Of course the bridge could be replaced with the same material that it is constructed of now which is wood stringers and wood planking.

The problem that must be solved is to try to get a bridge that will last and keep the cost as low as possible. Any of the above named bridges would last a long time. The steel girders with wood planking would require some maintenance and it is the least costly type of bridge. The other types of bridge would be almost maintenance free but the initial cost is much greater.

The tarring has been held up because the bridge should be repaired before the tarring is started. It is much simpler to start the tarring and do the complete job at one time. I also believe that the cost of tar asphalt is less when the time required for application is kept to a minimum.

ANNUAL RED CROSS MEETING

The annual meeting of the Bethel Branch of the Southern Oxford County Chapter, American National Red Cross, was held at Mr. and Mrs. Kimball Ames on June 3rd.

The reports of the various chairmen were given including the Home Service Chairman, and the Red Cross Swimming Summer Course, as well as the annual drive for funds, which was held in March. Mrs. Randall Stevens, chairman, reported that the Auxiliary netted \$421.95 in the drive.

The Treasurer, Kimball Ames, reported a balance in the bank of \$758.00. Disbursements for the year included expenses for home service supplies, school first aid equipment, and the swimming program. It was explained that there are expenses beyond the town appropriation for the swimming program including the cost of the instructor and bus expense which exceeded the town allowance by \$37.60 this past year.

Mrs. Bisbee reported the activities conducted through the Home Service Program which includes leaves for soldiers due to a death in the family; information obtained for families regarding all servicemen; and clothing given to two families in need.

We are fortunate in having Martha Keniston as the Red Cross Swimming instructor again this year and classes will commence on June 23.

Mrs. Syl LeClair submitted the following slate of officers for the year: Chairman, Mrs. Randall Stevens; Secretary, Mrs. Dana Douglas, Jr.; Treasurer, Kimball Ames; Home Service, Mrs. Ernest Bisbee; Swimming Program, Rev. Clifford Lewis.

It was agreed to offer cooperation with the Teen Council as far as function of the Red Cross Swimming program is concerned.

Stephen Dock is spending a short time at his home here before returning to the Colby College campus for the summer season. Dock was awarded a scholarship to study Russian at the summer session.

Among those who have employment at Camp Keweenaw at Lake Umbagog, N. H., Canada, for the summer, leaving this week are Charles Dock, and Larry Jacobs, Allan Walker, Jay Thompson, George Angevine, Kent Taylor and Mrs. Joan Goolidge.

IMPORTANT MEETING OF HEALTH COUNCIL NEXT WEDNESDAY

There will be an important meeting of the Bethel Health and Service Council, Inc., Wednesday, June 16, at 8:00, at Mrs. B. W. Pierce's on Broad Street to discuss plans for Mollusks Day which will be held Saturday, July 31. Mr. and Mrs. Lawrence Bailey are general chairmen.

All organizations are asked to send their representatives to this meeting.

CHAMBER OF COMMERCE HOLDS JUNE MEETING

The Greater Bethel Chamber of Commerce met Tuesday night for the June supper meeting at the New Yorker Motel. There were 28 members and two guests present.

After dinner the Chamber held a business meeting. It was voted to sponsor the Bethel Teen Council and the summer program for the summer of '65. The new advertising sign at the Gray exit of the turnpike has been approved and should be on display later this month.

Joe Farrow reported that the cleanup on Bryant Pond was highly successful. Hugh Chapman spoke for the Antique Car Club of Maine and outlined a possible summer attraction.

The Chamber will be doing something for Mollusks Day if help is needed. It will not be known what until the Mollusks Committee meets this week. The subject of the information booth will be taken care of by the executive committee. It is hoped that the July meeting will be a cook-out affair.

GOLDEN WEDDING SUNDAY, JUNE 27

On Sunday, June 27th, 1965, Cedar and Jennie Sanborn Jenkins, upon will hold open house from 1 p. m. to 5 p. m. in celebration of their golden wedding anniversary. The celebration is being planned by their children.

Cedar and Jennie were married at Weld, Maine, June 27, 1915. Since then they have lived in Upton. For forty years they operated a general store in the town. In addition they had a good sized farm, and served as the local postmaster. Other activities include trucking, selling real estate, insurance and county politics. Both have been active in church work and the grade. They have three sons and three daughters, thirty-one grandchildren and four great grandchildren.

Since they retired from the store business in 1954 and the past office in 1961, they have continued in the truck garden business. In 1961 they took an extended vacation trip to the west coast.

PROPOSED S. A. D. TO HAVE 17 DIRECTORS —BETHEL TO HAVE 6

A meeting of selectmen and school committee members of the towns of Woodstock, Greenwood, Bethel, Newry and Andover, called by the State Board of Education, was held at the Crescent Park School in Bethel on Tuesday, June 8, to determine the number of directors for the proposed School Administrative District. Norman Greig was elected chairman and Richard Melville, secretary, of the meeting. Thirty-one town officers were present.

It was decided to have seventeen school directors. They were apportioned as follows: Andover 3; Newry 2; Bethel 6; Greenwood 3; Woodstock 3.

Voting on the district will take place on Wednesday, July 14. Nomination papers for places on the Board of Directors are available at the Bethel Town Office.

GIRL SCOUTS TOUR WHITE MOUNTAINS

The Girl Scout Cadette Troop 676 of Bethel enjoyed a trip through the White Mountains on Saturday. An all day outing included scenic points of interest, lunch in the picnic area near Profile Lake and supper in Conway. From Lincoln to Conway the group travelled the new Kancamagus Highway. Enjoying the trip were Sally Rice, Danna Brown, Judy Angevine, Beverly Jackson, Brenda Tibbetts, Becky Brown, Amy Kenett, Frances Thurston, Roberta Sweetser, Nancy Young and Nancy Brown. Accompanying the girls were their leaders, Mrs. Elgin Tibbetts and Mrs. Dale Thurston, and Mr. and Mrs. Donald Brown, Mr. and Mrs. Ernest Angevine, Dale Thurston.

The Cadettes earned the money to defray expenses of the trip by putting on a chicken pie supper recently.

CHILDREN'S DANCE THEATER GIVES FINE PERFORMANCE

A high standard of excellence was reached Saturday evening in the ballet, "The Lonely Princess," choreographed and directed by Sue Farrar.

Ballet required the dancer to visualize a story for the audience through the medium of dance and pantomime. The cast did this so skillfully that the interest built up to a brilliant climax.

Darlene Merrill did a fine bit of work substituting, at short notice, in the role of the Princess. Bethel is indeed fortunate to have talent that can stage a production of such caliber.

Mr. and Mrs. James Bennett of Portland are spending a week's vacation at camp on South Pond.

LETTER TO THE EDITOR

Bethel, Maine
June 8, 1965

Dear Sir:

I have never written anything that comes to one single well-defined point because for me this is impossible; so I am going to try to write this letter trying to present to you a number of points which I feel are pertinent to the future change in Gould Academy. If perchance anything I say in this letter strikes any of you as being right or wrong or off-track or distorted, etc., please speak to me when you see me around town and tell me so. Decisions are never reached by those who remain silent, others will make the decisions for you. On the other hand I urge those of you who have anything to say to think before you speak and particularly to think of others.

I am sure that many of you think that the upcoming change in Gould is a drastic one; for many of you have become emotionally involved. (This means you are not thinking) this may well seem like the end of the world. Friends, this is not the end! I too am proud of Gould and the education I received at Gould and yet as I have told many of you, I have a few criticisms about the teachers and courses offered at Gould and a number of criticisms about the way in which the trustees operate the school. I hope that none of you considered this unusual; I doubt that there is any college student in the United States today who does not criticize his own school occasionally. I believe in being diplomatic only when I think that diplomacy is deserved, most of you are undoubtedly proud of the man after whom Gould was named, and undoubtedly most of you who knew Mr. Hanson are proud of him. The original purpose of both of these men (before a cent was received from any private source) was to educate the young men and women in Bethel and the surrounding area. In view of this fact—for those of you who are worried about what is going to happen to the name "Gould Academy"—I would suggest that you give the name "Gould" to the new high school which will be built for all the students in Bethel and the surrounding areas for the same purposes for which it was originally founded by Mr. Gould and Mr. Hanson. And I would like to remind those of you who are worried about B. V. M., which is the abbreviation of the University of Maine in Bethel backwards, that one can play a number of dandy little games by reversing letters and that the University of Maine in Portland is often referred to as U. M. P. The power of the imagination can be both amazing and at times disturbing.

Another signment of the imagination seems to be that Gould does not want town students outside of Bethel and perhaps that even the town students are not wanted. I think that Gould's physical appearance is enough to give one that impression; Gould does indeed

have one of the most beautiful campuses in the state of Maine. And yet even though there are perhaps a few trustees who were thinking of turning Gould into a private prep school, there are also a number of people both trustees and teachers who are equally concerned about both the town students and the dormitory students.

In saying all this I have unfortunately left out the "dorm kids". I only wish that I had become better acquainted with the dormitory students during my stay at Gould because I would have discovered that in general they are not radically different from the "townies". Again the physical appearance of Gould had an effect on me; somehow I just never felt at home in the dormitories. Living in a big brick building with nice rooms does something to one psychologically; I have found this to be true at Colby (where the rooms are mediocre to poor). And one simply does not walk downtown without putting on some sort of air, which is later regretted. And yet I have often heard this attractive big brick building referred to as the "hen coop" where everyone is "cooped up" for the week end and where the teacher on duty is a (substitute any derogatory name) even though the teacher does not like being on duty any more than the students like having him on duty. It is probably true that most of the parents of the dormitory students do have higher incomes than the average town student's parents, but why should this interfere with friendship, courtesy, hospitality, etc.? The aforementioned supposedly have no price and can be offered in the poorest of homes; having passed through only two years of college, I have found that some of my best friends belong to a much lower income bracket than my parents. Any of you who think that Gould is too good for truck drivers or log haulers (which most of the town students aren't anyway) have a fierce imagination and a bitter tongue.

Many of the town students who do go to Woodstock High School go there because indeed the courses they want are not offered at Gould. There are so many other individual cases that I couldn't even begin to define them; many students unfortunately simply lack initiative.

Concerning the future of the Alumni Association, al-

though I am not by nature fond of Alumni Conventions (or any conventions for that matter), I would say let us definitely continue it.

My four years at Gould have meant a lot to me, and they have without a doubt meant a lot more to others. For those of you who are wondering what "nice" means Webster defines "nice" as meaning: "Demanding close discrimination, delicate handling, or the like." I know that there are a number of you who are for discontinuing the Alumni Association. I am also positive that the more you say against the Association's being continued, the more damaging you will be to its future. Please think before you speak.

I think that a regional high school will be good for Bethel and the surrounding area provided that the planning committee for the new high school does some very careful planning before they act. I have found both at Gould and at Colby that good teachers will inspire a student to work and to find the field that interests him. I hope that the future high school known for good teachers, not for the best basketball floor, the best chemistry lab, or the best auditorium in the state, etc.

For any of you who may think that my mother may have helped me in writing this (since she is a faithful graduate of Gould) or prompted me to write this, you may be interested to know that the first time she sets eyes on this article will be sometime Friday when she opens the Citizen to read up on the latest controversy about Gould. Guess who?

What I have just written may well be dismissed at adolescent foolishness, but I sincerely hope that some of you have said something in what I have said.

Respectfully yours,
Stephen Dock

LITTLE THINGS

Little masteries achieved,
Little wants with care relieved,
Little words in love expressed,
Little wrangs at once confessed,
Little graces meekly worn,
Little slights with patience borne,
These are treasures that shall rise
Far beyond the shining skies.

GROVER - GABRIEL

Miss Nancy Wharton Gabriel, daughter of Mrs. George H. Gabriel, and the late Mr. Gabriel, of Tusculum, N. J., and Daniel T. Grover, son of Mr. and Mrs. Rupert H. Grover, Bethel, were married at 11 a. m. Tuesday at the Bethel Methodist Church. The double ring ceremony was performed by the pastor, the Rev. Donald F. Hess.

The morning wedding was attended by only members of the immediate family. The bride, given in marriage by her mother, wore a white brocade street length dress. Her shoulder length veil was caught in a white satin bow. She carried a bridal bouquet of white pinks and a symbolium orchid.

The maid of honor, Miss Elsie A. Grover, sister of the bridegroom, wore a green satin dress with white accessories. She wore a corsage of yellow orchids. The best man was Walter E. Grover, Bethel, cousin of the bridegroom.

A wedding luncheon for the immediate family was held at the Southbury Inn. Mr. and Mrs. Grover left after the luncheon for a wedding trip into Canada. They will return in time to attend the graduation of the maid of honor at Gould Academy.

Mrs. Grover is a graduate of Hopewell Township Central High School at Pennington, N. J., and attended the University of Maine.

Mr. Grover is a graduate of Gould Academy, class of 1963. He also attended the University of Maine.

WILLARD - STEWART

On June 5, Miss Patricia Anne Stewart of Portland, and Dr. David Alon Willard of Portland, were married at 4 o'clock in the afternoon in the Congregational Church of Cumberland at Cumberland Center. The bride was beautiful in a floor length gown of silk organza fashioned with scoop neckline, long sleeves and swiss embroidery detail. The bell shaped skirt had a cotton train with matching embroidery. The veil was scalloped, pearl studded and attached to a crown of pearls and iridescent. She carried a white Bible and white orchid.

The matron of honor was Mrs. Paul Haney, the bride's sister, of Beltsville, Md. Mrs. Haney's gown was pink and white checked gingham, scoop neckline short sleeves, bell-shaped skirt with matching shoes and hat of gingham covered with pink tulle. She carried a colonial bouquet of pink carnations.

The bridesmaids were: Miss Eleanor French, Miss Jane Stone, both of Portland, and the groom's sister, Miss Mary Ellen Willard of Bethel. Their gowns matched the gown of the matron of honor. Their flowers were colonial bouquets of pink and white carnations.

The groom was attended by Dr. Owen O. Dow of Portland as best man. The ushers were Dr. John Willard, Princeton, N. J.; Ronald Willard, Derry, N. H.; brothers of the groom, and Carl Stewart, Calais, brother of the bride.

The mother of the bride wore a two piece dress of Winsor rose and color matching lace jacket and shoes. A white carnation
